

NAPOLIDIABETOLOGIA

**Diabetes & Endocrine
Updates 2026**
and
**2nd International
Conference on Diabetic
Kidney Disease**

Napoli, February 25-26-27-28, 2026

Hotel Royal Continental

Scientific Coordinators:

Dott. Silvio Settembrini, Prof. Giovambattista Capasso

Program

www.napolidiabetologia.it

NAPOLIDIABETOLOGIA

**Diabetes
& Endocrine
Updates 2026**

Program

WEDNESDAY, FEBRUARY 25

- 14.00 – 14.10 **Welcome Addresses**
- 14.10 – 15.00 **SESSION I**
Chairpersons: Annamaria Colao & Katherine Esposito
- 14.10 – 14.30 Adult-Onset Autoimmune Diabetes: Phenotypic Features, Diagnosis and Therapy
Raffaella Buzzetti
- 14.30 – 14.50 Cardio-Metabolic Risk in Pituitary Disorders: An Overview
Diego Ferone
- 14.50 – 15.00 Discussion
- 15.00 – 15.50 **SESSION II**
Chairpersons: Guido Grassi & Claudio Ferri
- 15.00 – 15.20 Pharmacological Management of Heart Failure in the Obese Diabetic Patient: New Challenges, New Horizons
Pasquale Perrone Filardi
- 15.20 – 15.40 What is meant by Truly Resistant Hypertension
Agostino Virdis
- 15.40 – 15.50 Discussion
- 15.50 – 16.20 Coffee break
- 16.20 – 17.40 **SESSION III**
Chairpersons: Rosario Pivonello & Giuseppe Bellastella
- 16.20 – 16.40 When Artificial Intelligence Meets Andrology: Innovations and Clinical Opportunities
Aldo Eugenio Calogero

WEDNESDAY, FEBRUARY 25

- 16.40 – 17.00 Hypogonadism, Fertility, and Sexuality in CKD
Sandro La Vignera
- 17.00 – 17.20 Hormone Therapy in Transgenders and its Impact on Quality of Life
Antonio Aversa
- 17.20 – 17.40 Discussion
- 17.40 – 19.30 **SESSION IV**
Chairpersons: Giorgio Arnaldi & Carla Di Somma
- 17.40 – 18.00 Endocrine Disruptors as Obesiogens: A New Perspective in the Pathogenesis of Obesity
Rossella Cannarella
- 18.00 – 18.20 Fertility and Sexuality in the Obese Diabetic Patient
Rosario Pivonello
- 18.20 – 18.40 Combination Therapy (SGLT2 Inhibitors – GLP1 Agonists – GLP1/GIP Agonists): Beyond Gluco-Metabolic Control
Nicola Napoli
- 18.40 – 19.00 Diabetes and Bone: A Complex Relationship – Clinical Challenges and Therapeutic Options
Giuseppe Bellastella
- 19.00 – 19.30 Discussion

THURSDAY, FEBRUARY 26

- 09.00 – 10.00 **SESSION V**
*Chairpersons: **Agostino Viridis & Arrigo Cicero***
- 09.00 – 09.20 SGLT2 Inhibitors and Cardiovascular Risk: Role in Resistant Arterial Hypertension
Guido Grassi
- 09.20 – 09.40 Role of GLP1 Agonists and Aldosterone Synthase Inhibitors in Resistant Arterial Hypertension
Claudio Ferri
- 09.40 – 10.00 Discussion
- 10.00 – 11.00 **SESSION VI**
*Chairpersons: **Salvatore Corrao & Francesco Scavuzzo***
- 10.00 – 10.20 Decision-Making in the Complex Obese Patient: Nutritional and Pharmacological Synergies
Annamaria Colao
- 10.20 – 10.40 How Innovative Metabolic Pharmacology has Changed the Perspective of Care in High Cardiovascular Risk Patients
Katherine Esposito
- 10.40 – 11.00 Discussion
- 11.00 – 11.30 Coffee break
- 11.30 – 13.30 **SESSION VII**
*Chairpersons: **Bruna Guida & Silvia Savastano***
- 11.30 – 11.50 How CGM (Continuous Glucose Monitoring) has Changed the Clinical Management of Diabetic Patients at Risk of Complications
Maria Ida Maiorino
- 11.50 – 12.10 Tirzepatide, Retratutide, Orfoglipron: Updates 2026
Salvatore Corrao

THURSDAY, FEBRUARY 26

- 12.10 – 12.30 Body Composition and Muscle Loss / Wasting in the Sarcopenic Obese Patient Under Therapy
Maria Serena Lonardo
- LECTURE**
*Chairperson: **Giovanni De Pergola***
- 12.30 – 13.00 Innovative Nutraceuticals: Between Obesity and Cardio-Nephro-Metabolic Syndrome
Arrigo Cicero
- 13.00 – 13.30 Discussion
- 13.30 – 14.30 Lunch Break
- 14.30 – 16.10 **SESSION VIII**
*Chairpersons: **Antonello Cittadini & Raffaele Napoli***
- 14.30 – 14.50 Semaglutide: A New Statin? Therapeutic Impact on Lipid / Inflammatory Profile and Thrombotic Risk
Paolo Calabrò
- 14.50 – 15.10 SGLT2 Inhibitors in Heart Failure in Patients with CKD
Gennaro Cice
- 15.10 – 15.30 Cardiac Rehabilitation in the Sarcopenic Obese Patient with Heart Failure: Nutritional and Pharmacological Synergies
Mario Mallardo
- 15.30 – 15.50 Dyslipidemia Therapy: What's New from the European Society of Cardiology Guidelines 2019–2025
Paolo Tammaro
- 15.50 – 16.10 Discussion
- 16.10 – 16.30 Coffee break

THURSDAY, FEBRUARY 26

NON CME ACCREDITED SESSION

16.30 – 18.30

**SESSION IX
NEW FRONTIERS IN DRUGS DISCOVERY, FROM RESEARCH
TO CLINICAL PRACTICE**

16.30 – 17.00

Chairpersons: **Gennaro Cice & Claudio Ferri**
CVRM (Cardio-Vascular-Renal and Metabolism) Era: Focus
Renal Translating Science and Innovation into Clinical
Impact
Pietro Galassetti, Global Clinical Program Lead,
AstraZeneca, Gaithersburg, USA

17.00 – 17.30

Chairpersons: **Aldo Eugenio Calogero & Giorgio Arnaldi**
Advancement in the multiple agonism landscape:
the role of Amycretin in redefining the boundaries of
incretin science
Kirsten Raun, Global Drug Discovery, Scientific Director
Novo Nordisk, Måløv, Denmark

17.30 – 18.00

Chairpersons: **Dario Giugliano & Giovambattista Capasso**
Survodutide, GLP1-Glucagon Agonism, Pharmacological
and Clinical Updates 2026
Ramy Younes, Global Head of Clinical Development
Obesity & Liver, Boehringer Ingelheim, Ingelheim am
Rhein, Germany

18.00 – 18.30

Chairpersons: **Pasquale Perrone Filardi & Paolo Calabrò**
Development of Novel Lp(a) Lowering Therapies and
Drugs for Cardiovascular Risk Reduction
Pierluigi Tricoci, Associate Vice President Medical
Development, Cardiovascular Research, Eli Lilly,
Hillsborough, NC, USA

**2nd International
Conference on Diabetic
Kidney Disease**

**New Frontiers in
Diabetic Kidney Disease:
From Mechanisms
to Patient Care**

Program

FRIDAY, FEBRUARY 27

- 09.00 – 09.10 Opening Remarks:
Silvio Settembrini & Giovambattista Capasso
- 09.10 – 10.40 **SESSION X**
Pathophysiological Mechanisms in Diabetic Kidney Disease
Chairpersons: Giuseppe Palmiero & Mario Cozzolino
- 09.10 – 09.30 The Role of Adenine in Diabetic Kidney Injury
Kumar Sharma
- 09.30 – 09.50 Diabetic Kidney Injury Determinants: Focus on EMT and Mitochondrial Dysfunction
Petter Bjornstad
- 09.50 – 10.10 Unravelling Molecular Pathways in Diabetic Nephropathy: Role of Macrophages in Lipid Metabolism and Inflammation
John He
- 10.10 – 10.40 Discussion led by **Floriana Secondulfo**
- 10.40 – 11.10 Coffee break
- 11.10 – 12.40 **SESSION XI**
Novel Targets and Translational Research
Chairpersons: Vincenzo Carafa & Stefano Bianchi
- 11.10 – 11.30 Targeting Cell-to-Cell Communication in Diabetic Kidney Disease: From the Podocyte to the Proximal Tubule
Sandeep Mallipattu
- 11.30 – 11.50 Senescence as a Driver of Chronic and Diabetic Kidney Disease
Giovambattista Capasso

FRIDAY, FEBRUARY 27

- 11.50 – 12.10 Precision Nephrology in Diabetic Kidney Disease: Multi-Scalar Data Integration for Novel Biomarkers and Therapeutic Targets
Matthias Kretzler
- 12.10 – 12.40 Discussion led by **Mariadelina Simeoni**
- 12.40 – 14.00 Lunch Break
- 14.00 – 15.30 **SESSION XII**
Therapeutic Advances in Diabetic Kidney Disease
Chairpersons: Alessandra Perna & Domenico Santoro
- 14.00 – 14.20 Semaglutide as the New Pillar of Diabetic Kidney Disease Treatment
Peter Rossing
- 14.20 – 14.40 Combination Therapy in Diabetic Kidney Disease
Hiddo Heerspink
- 14.40 – 15.00 SGLT2 Inhibitors: From Clinical Trials to Real-World Evidence
Luca De Nicola
- 15.00 – 15.30 Discussion led by **Francesco Trepiccione**
- 15.30 – 16.00 Coffee Break
- 16.00 – 17.30 **SESSION XIII**
Diagnosis, Prognosis and Integrated Care
Chairpersons: Miriam Zacchia & Salvatore Di Paolo
- 16.00 – 16.20 The Role of Kidney Biopsy in Patients with Diabetes
Loreto Gesualdo

FRIDAY, FEBRUARY 27

16.20 – 16.40 Prevalence and Predictors of Rapid eGFR Decline in Type 2 Diabetes
Francesca Viazzi

16.40 – 17.00 Integrated Care for Diabetic Nephropathy: a Patient-Centered Approach
Francesco Giorgino

17.00 – 17.30 Discussion led by **Giovanna Capolongo**

KEYNOTE LECTURE

Chairperson: **Giovambattista Capasso**

17.30 – 18.00 Harmonizing Today, Transforming Tomorrow: The Future of Nephrology in Europe
Roser Torra

18.00 – 18.15 Conclusions: **Silvio Settembrini**

SATURDAY, FEBRUARY 28 COMMUNITY DAY

**Endocrinological Crew:
Pathway to Cardio-Nephro-Epato-Cerebro-Metabolic Syndrome**

09.00 – 10.00 **SESSION XIV**
“Thyroid Connections“: Heart – Kidney – Liver
Chairpersons: **Andrea Frasoldati & Enrico Papini**

09.00 – 09.15 Hypo- and Hyperthyroidism and Cardio-Metabolic Impact: Clinical and Therapeutic Correlations
Vincenzo Triggiani

09.15 – 09.30 Chronic Kidney Disease (CKD) and Thyroid Disorders: Bidirectional Links
Olga Disoteo

09.30 – 09.45 Thyroid and Liver: Two Metabolic Hubs in Homeostatic Control. Can Thyroid Hormone Signalling Treat a Dysfunctional Liver?
Silvio Settembrini

09.45 – 10.00 Discussion

10.00 – 11.00 **SESSION XV**
Chairpersons: **Edoardo Guastamacchia & Giancarlo Tonolo**

10.00 – 10.15 Intelligent Insulins: What They Are and What They Do
Giuseppe Crispino

10.15 – 10.30 Combo Therapy with SGLT2 Inhibitors, DPP-IV Inhibitors, GLP-1 Agonists, and GLP-1/GIP Agonists in Diabetes Mellitus: for Remission and Primary and Secondary Prevention
Elena Succurro

SATURDAY, FEBRUARY 28 COMMUNITY DAY

- 10.30 – 10.45 Aldosterone Receptor Antagonists and Aldosterone Synthase Inhibitors in Cardio- Nephro-Metabolic Syndrome
Leonardo Russo
- 10.45 – 11.00 Discussion
- 11.00 – 11.30 Coffee break
- 11.30 – 12.30 **SESSION XVI**
Chairpersons: Olga Disoteo & Silvio Settembrini
- 11.30 – 11.45 MASLD and its Clinical-Therapeutic Management: Can We Interfere with the Progression of Hepatic Fibrosis?
Domenico Arcoria
- 11.45 – 12.00 Neuroprotection and Cognitive Disorders: Where Do We Stand with Innovative Metabolic Drugs?
Raffaele Schembari
- 12.00 – 12.15 Pathological Thinness (Is it harder to gain weight or lose weight?)
Vincenzo Cimino
- 12.15 – 12.30 Discussion
- 12.30 – 13.00 **LECTURE**
Chairpersons: Mario Rizzo & Giuseppe Giordano
Obesity and Aldosterone: Pathophysiological and Pharmacotherapeutic Correlations
Massimiliano Caprio

SATURDAY, FEBRUARY 28 COMMUNITY DAY

- 13.00 – 14.00 **SESSION XVII**
Real-World Clinical Experiences: Case Management and Narrative Reports. The Role of CGM (Continuous Glucose Monitoring) in the different Clinical Settings
Chairpersons: Maria Masulli & Vincenzo Nuzzo
- 13.00 – 13.10 **Nicola Tecce:** The Diabetic Cancer Patient Undergoing Chemotherapy
- 13.10 – 13.20 **Diego Carleo:** The Obese Diabetic Patient with Rheumatologic Disease
- 13.20 – 13.30 **Giacomo Accardo:** The Diabetic Patient with Thyroid Disease
- 13.30 – 13.40 **Marcello Orio:** Efficacy Analysis in a Cohort of Patients Treated with GLP-1/GIP Agonists
- 13.40 – 13.50 **Raffaele Mancini:** Therapy of the Diabetic Patient on Dialysis
- 13.50 – 14.00 Conclusions

**Diabetes & Endocrine
Updates 2026**
and
**2nd International Conference
on Diabetic Kidney Disease**

**Napoli,
February 25-26-27-28
2026**

FACULTY

MD Giacomo Accardo

Outpatient Endocrinology Specialist, ASL Napoli 3 Sud, Campania Region President for the A.M.E. (Association of Italian Endocrinologists)

MD Domenico Arcoria

Accredited Diabetes Center, Paternò, Catania

Prof. Giorgio Arnaldi

Full Professor of Endocrinology, Director of the Endocrine Diseases, Metabolic Rate and Nutrition Unit, University of Palermo

Prof. Antonio Aversa

Full Professor of Endocrinology, Department of Experimental and Clinical Medicine, University of Catanzaro 'Magna Graecia', Catanzaro

Prof. Giuseppe Bellastella

Full Professor of Endocrinology and Metabolic Diseases, University of Campania "Luigi Vanvitelli", Napoli

Prof. Stefano Bianchi

Pro Bono Volunteer Nephrologist, Chronic Care Center, Voluntary Relief Society, Livorno

Prof. Petter Bjornstad

Professor of Pediatrics and Medicine | Raisbeck Endowed Chair of Diabetes Research, Executive Director, UW Medicine Diabetes Institute (UWMDI) Principal Investigator, Center for Clinical and Translational Research (CCTR) at Seattle Children's Research Institute (SCRI)

Prof. Raffaella Buzzetti

President of SID (Italian Society of Diabetology); Full Professor of Endocrinology, Sapienza University of Rome

Prof. Paolo Calabrò

Full Professor of Cardiology, University of Campania "Luigi Vanvitelli", Napoli

Prof. Aldo Eugenio Calogero

Full Professor of Endocrinology, A.O.U. Policlinico "G. Rodolico-SanMarco", University of Catania

Prof. Rossella Cannarella

Endocrinology Unit, A.O.U. G. Rodolico-San Marco Polyclinic, University of Catania

Prof. Giovambattista Capasso

Former Professor of Nephrology, University of Campania "Luigi Vanvitelli", Napoli; Scientific Director of Biogem Research Center, Ariano Irpino (AV)

Prof. Giovanna Capolongo

Associate Professor of Nephrology, University of Campania "Luigi Vanvitelli", Napoli

Prof. Massimiliano Caprio

Full Professor of Endocrinology and Human Nutrition, Open University San Raffaele, Rome

Prof. Vincenzo Carafa

Associate Professor, Department of Precision Medicine, University of Campania "Luigi Vanvitelli", Napoli

FACULTY

MD Diego Carleo

Outpatient Diabetology Specialist at the Casoria Diabetology Center, ASL Napoli 2 Nord. President of AMD (Association of Diabetologists of the Campania Region)

Prof. Gennaro Cice

Director of Cardiology Intensive Care, Cardiology Unit, Casilino Hospital, Rome

Prof. Arrigo Cicero

Associate Professor, Department of Medical and Surgical Sciences, Director of the Specialization School in Food Science, Alma Mater Studiorum University of Bologna, President of SINut (Italian Society of Nutraceuticals)

Prof. Vincenzo Cimino

Associate Professor of Endocrinology, University of Milan

Prof. Antonio Cittadini

Full Professor of Internal Medicine, University of Napoli "Federico II"

Prof. Annamaria Colao

Full Professor of Endocrinology, Director of the Endocrinology and Metabolic Diseases Unit, University of Napoli "Federico II"; UNESCO Chair for Education in Health and Sustainable Development

Prof. Salvatore Corrao

Full Professor of Internal Medicine, University of Palermo

Prof. Mario Cozzolino

Full Professor of Nephrology, University of Milan

MD Giuseppe Crispino

Head of the Territorial Service of Diabetology, Endocrinology, Metabolic Diseases and Eating Disorders, Unique District of the Provincial Health Authority of Vibo Valentia

Prof. Luca De Nicola

President of the Italian Society of Nephrology; Full Professor of Nephrology, University of Campania "Luigi Vanvitelli", Napoli

Prof. Giovanni De Pergola

Director of the Nutrition Center Clinical Research and Treatment of Obesity and Metabolic Diseases, IRCCS de Bellis, Castellana Grotte (BA)

MD Salvatore Di Paolo

Former Director of the Nephrology and Dialysis Unit, Dimiccoli Hospital, Barletta, ASL BT

MD Carolina Di Somma

Full Professor of Endocrinology. Department of Endocrinology, Diabetology, Andrology, and Nutrition, Federico II University Hospital, Napoli

MD Olga Eugenia Disoteco

Head of Endocrinology, Diabetology, Dietetics, and Nutrition Clinical Unit, ASST Lariana, Sant'Anna Hospital, San Fermo della Battaglia, Como

**Diabetes & Endocrine
Updates 2026**
and
**2nd International Conference
on Diabetic Kidney Disease**

**Napoli,
February 25-26-27-28
2026**

FACULTY

Prof. Katherine Esposito

Full Professor of Endocrinology and Metabolic Diseases, University of Campania “Luigi Vanvitelli”, Napoli

Prof. Diego Ferone

President of SIE (Italian Society of Endocrinology);
Full Professor of Endocrinology, University of Genoa

Prof. Claudio Ferri

Full Professor of Internal Medicine, University of L'Aquila

Prof. Andrea Frasoldati

President of the A.M.E., Association of Italian Endocrinologists;
Director of the Endocrinology Complex, AUSL Reggio Emilia

MD Pietro Galassetti

Global Clinical Program Lead - AstraZeneca, Gaithersburg, USA

Prof. Loreto Gesualdo

Full Professor of Nephrology, University of Bari

MD Giuseppe Giordano

Medical Director - Mazara del Vallo Health District - Diabetology Clinic, Trapani Local Health Authority

Prof. Francesco Giorgino

Full Professor of Endocrinology, University of Bari Aldo Moro, President of EASD (European Association for the Study of Diabetes)

Prof. Dario Giugliano

Former Full Professor of Endocrinology and Metabolic Diseases, University of Campania “Luigi Vanvitelli”, Napoli

Prof. Guido Grassi

Full Professor of Internal Medicine, University of Milan-Bicocca;
Past President of EHS, European Society of Hypertension

Prof. Edoardo Guastamacchia

Former Full Professor of Endocrinology, University of Bari Aldo Moro;
Past President of AME (Association of Italian Endocrinologists)

Prof. Bruna Guida

Full Professor of Physiology, Director of the Postgraduate School in Food Sciences, University of Napoli “Federico II”

Prof. John He

Irene and Dr. Arthur M. Fishberg Professor of Medicine Chief, Division of Nephrology Icahn School of Medicine at Mount Sinai, New York, USA

Prof. Hiddo Heerspink

Professor of Clinical Trials and Personalized Medicine and clinical trialist at the Department of Clinical Pharmacy and Pharmacology at the University Medical Center Groningen, The Netherlands

Prof. Matthias Kretzler

Professor of Medicine/Nephrology and Computational Medicine and Bioinformatics University of Michigan, Ann Arbor, USA

FACULTY

Prof. Sandro La Vignera

Full Professor of Endocrinology, A.O.U. Policlinico “G. Rodolico-San Marco”, University of Catania

MD Maria Serena Lonardo

Medical Director with a fixed-term contract, Specialist in Nutritional Science, AOU Policlinico Federico II of Napoli

Prof. Maria Ida Maiorino

Associate Professor of Endocrinology and Metabolic Diseases, University of Campania “Luigi Vanvitelli”, Napoli

MD Mario Mallardo

National President of AICPR (Italian Association of Preventive and Rehabilitative Cardiology); Director and Head of the Rehabilitation Cardiology Unit, ASL Napoli 1 Center

Prof. Sandeep K. Mallipattu

DCI-Liebowitz Professor of Medicine Chief, Division of Nephrology and Hypertension
Renaissance School of Medicine, Stony Brook University, New York, USA

MD Raffaele Mancini

Head of the Diabetology Unit, Provincial Health Authority of Catanzaro

Dott. Maria Masulli

President of SID (Italian Society of Diabetology)- Campania-Basilicata Region;
Specialist, Diabetology Unit, University of Napoli “Federico II”

Prof. Nicola Napoli

Full Professor of Endocrinology, University Hospital Foundation Biomedico Campus, Rome

Prof. Raffaele Napoli

Full Professor of Advanced Medical and Surgical Technical Sciences, Head of the Precision Internal Medicine Department, University of Napoli Federico II

MD Vincenzo Nuzzo

Head of the Endocrine Diseases and Metabolic and Nutrition Unit, P.O. Ospedale del Mare, ASL Napoli 1 Center, Napoli

MD Marcello Orio

Outpatient Specialist in Diabetology, Potenza Local Health Authority; Director of the Specialized Medical Center CMSO, Salerno

MD Giuseppe Palmiero

Nephrologist, Head of the ASL Naples 1 Center for Peritoneal and Home Dialysis, Pellegrini Hospital, Nephrology Unit, Napoli

Prof. Enrico Papini

Past Director of the Department of Endocrinology and Metabolic Diseases, Regina Apostolorum Hospital, Albano Laziale, Rome. AME Scientific Coordinator (Association of Italian Endocrinologists)

Prof. Alessandra Perna

Full Professor of Nephrology, University of Campania “Luigi Vanvitelli”, Napoli

**Diabetes & Endocrine
Updates 2026**
and
**2nd International Conference
on Diabetic Kidney Disease**

**Napoli,
February 25-26-27-28
2026**

FACULTY

Prof. Pasquale Perrone Filardi
Full Professor of Cardiology, University of Naples “Federico II”; President of SIC (Italian Society of Cardiology)

Prof. Rosario Pivonello
Full Professor of Endocrinology, University of Naples “Federico II”; President-Elect of SIAMS (Italian Society of Andrology and Sexual Medicine)

Prof. Kirsten Raun
Global Drug Discovery, Scientific Director Novo Nordisk, Måløv, Denmark

MD Mario Rizzo
Medical Director, Internal Medicine Department
Buccheri La Ferla Hospital, Palermo

Prof. Peter Rossing
Head of Complications Research, Steno Diabetes Center Copenhagen (SDCC) Herlev, Professor of Endocrinology, University of Copenhagen, Denmark

MD Leonardo Russo
Outpatient Specialist
Endocrinology and Diabetology, ASP Agrigento

Prof. Domenico Santoro
Full Professor of Nephrology, University of Messina

Prof. Silvia Savastano
Full Professor of Endocrinology, University of Napoli “Federico II”

MD Francesco Scavuzzo

Head of the Endocrinology Unit, AORN “A. Cardarelli”, Napoli

MD Raffaele Schembari
Director of the Internal Medicine Unit, Giovanni Paolo II Hospital, ASP Ragusa

MD Floriana Secondulfo
Nephrology and Dialysis Unit, Department of Translational Medicine, University of Campania “Luigi Vanvitelli”, Napoli

MD Silvio Settembrini
Head of the Diabetology and Metabolic Diseases Unit C4, Local Health Authority Naples 1 Center, Napoli

Prof. Kumar Sharma
Director of the Division of Nephrology and Vice Chairman for Research, Department of Medicine, UT Health Science Center, San Antonio, Texas, USA

Prof. Mariadelina Simeoni
Associate Professor of Nephrology, University of Campania “Luigi Vanvitelli”, Napoli

Prof. Elena Succurro
Full Professor of Endocrinology and Metabolic Diseases at the Department of Medical and Surgical Sciences at the “Magna Graecia” University of Catanzaro

Dott. Paolo Tammaro
Medical Director, Cardiology Unit Territorial, Local Health Authority Naples 1 Center, Napoli

FACULTY

MD Nicola Tecce
Researcher in Endocrinology and Metabolic Diseases, University of Napoli “Federico II”

MD Giancarlo Tonolo
Director of the Department of Diabetes and Metabolic Diseases, ASL 2 Olbia

Prof. Roser Torra Balcells
President of the European Renal Association (ERA). Head of the Orphan Kidney Diseases Unit at the Nephrology Department and the Research Coordinator at the Nephrology Department and of the Multidisciplinary Teams on Orphan Diseases of the Hospital de Sant Pau, Barcelona Spain

Prof. Francesco Trepiccione
Associate Professor of Nephrology, University of Campania “Luigi Vanvitelli”, Napoli

MD Pierluigi Tricoci
Associate Vice President Medical Development, Cardiovascular Research, Eli Lilly, Hillsborough, NC, USA

Prof. Vincenzo Triggiani
Associate Professor of Endocrinology, University of Bari, Polyclinic Giovanni XXIII University Hospital, Bari

Prof. Francesca Chiara Viazzi
Full Professor MEDS
08/B - Nephrology, Department of Internal Medicine and Medical Specialties, University of Genoa

Prof. Agostino Virdis
President of SIIA (Italian Society of Arterial Hypertension), Professor of Internal Medicine, University of Pisa

MD Rami Younes
Global Head of Clinical Development Obesity & Liver, Boehringer Ingelheim, Ingelheim am Rhein, Germany

Prof. Miriam Zacchia
Associate Professor of Nephrology, University of Campania “Luigi Vanvitelli”, Napoli

**Diabetes & Endocrine
Updates 2026**
